

Before	Pivot	After
<p><b>(Before):</b></p> <p><b>1) Background:</b></p> <p>My name is Andre Abouzeid, my background was in hotels and catering industry and now I am into courier industry hoping that things would get better financially in my career.</p> <p><b>2) Why:</b></p> <p>What I hate most about my job are the:</p> <ol style="list-style-type: none"> <li>1. long working hours and more responsibility, with no appreciation for my hard work and performance.</li> <li>2. The money is less than what I was previously earning. The company is now cutting expenses and many people have lost their jobs. They have</li> </ol>	<p><b>3. Solution found:</b></p> <p>It's all started when one morning in 15 Aug 2000. I was delivering a package to a client who invited me to this business opportunity. Then I ended up being blessed by joining this opportunity that is a big solution for the challenges that I am going through</p>	<p><b>4) Where do you see yourself in the future</b></p> <p>Now I could see the possibilities now, to:</p> <ol style="list-style-type: none"> <li>1. Become my own boss, choose my own hours to work when I want, and get rewarded and appreciated for my efforts.</li> <li>2. Become financially free, and don't have to worry about having income to support my family and be able to provide them and myself with good life.</li> </ol>
